Dear Sir / Madam,

I am submitting this letter to apply for the position of Delivery Driver with your company. I believe that my driving skills, as well as my customer service skills, would make me a valuable employee to Prestige Delivery Systems, and that I would bring an enthusiasm to the job that many others might not.

I'd like to summarize my qualifications, which are detailed on my attached resume:

- I have more than 2 years' experience in the delivery driving industry and I have a proven track record for getting my deliveries done safely and on time.
- My driving record is perfect and I hold the proper licensing for driving a delivery truck.
- I work hard to build a great rapport with the clients on my route and many of them know me by name and consider me to be polite, professional and courteous.
- I have one year of experience as a Grab Car operator/driver, providing safe and reliable transportation services with a strong focus on passenger satisfaction

Working a delivery route entails more than simply driving from one location to another. As a result, I am confident that I would be an asset to Prestige Delivery Systems and that I would provide this company with a dependable and hardworking employee.

I'd like the opportunity to speak with you in more detail about what I can offer your company. Please contact me at 09565683235 to set up a meeting time.

Sincerely,

John Ray Telleros
